A Non sono un fan del libro. Ma un'alternativa economica all'acquisto nella libreria del mio college. Mi The Last Kids on Earth and the Nightmare King (English Edition) serviva per una lezione. Una meravigliosa storia vera che si legge come un romanzo d'avventura. Anche se conoscevo il finale, The Last Kids on Earth and the Nightmare King (English Edition) sono rimasto incantato. Ben detto! :) The Last Kids on Earth and the Nightmare King (English Edition)
